Henry Carlson Construction New Hires

Henry Carlson Construction hired a project manager and three field engineers in May. Below is a brief introduction to our new employees.

Byant Larson

Byant Larson graduated from South Dakota State University with a degree in construction management in 2011. He has almost six years of experience in the construction industry. Bryant is our newest project manager and is the project manager for the Canton High School Performing Arts project.

Bryant's hobbies include exercising, golfing, snowboarding, aviation and traveling. He is married to his wife, Chandra, who is a chiropractor. Together they have a six-month-old daughter, Ember and a dog named Nani.

Before coming to Henry Carlson, he worked for Kiewit Corporation in Kansas City and for WS Construction here in Sioux Falls.

Matt Kolbeck

Matt Kolbeck was intern at Henry Carlson last summer and has been hired as a field engineer. He is currently working at the Sanford Ava's House project. He graduated from South Dakota State University with a degree in Construction Management in May.

Matt's hobbies include golfing, hunting, fishing and playing baseball. Matt has an older sister and a little brother and has lived in Dell Rapids his whole life.

Tyler Schorn

Tyler Schorn graduated from South Dakota State University with a degree in construction management in May. He is currently working at the Royal River Casino project.

In his spare time he likes to do CrossFit, golf and hang out at the pool. He also enjoys pheasant and deer hunting. Tyler is an uncle to 13 nieces and nephews. Before moving to South Dakota, he lived in the small town of Sacred Heart, MN.

John Gliko

John Gliko graduated from South Dakota State University with a degree in construction management in May. He is the field engineer for the Sioux Falls Sam's Club renovation project.

John enjoys anything sports related and has participated in sports his whole life. He likes to stay active, whether that is going to the gym, playing men's league softball, golf and hiking. Fun fact about John, he has been to the top of the Crazy Mountains also known as the Crazies, which is a mountain range in the northern part of the Rocky Mountains.

Employee Spotlight: Verlin Prostrullo

I asked Henry Carlson Construction superintendent Verlin Prostrullo a few questions about himself. Here are his answers.

How do you take your coffee: Black

Best Vacation: Disney World in Orlando, FL

1. Family background. Wife, kids and where did you grow up?

I grew up in Hartford, SD and attended West Central.

I was a combat engineer in the South Dakota Army National Guard.

My wife Belinda and I have three lovely and talented daughters; Audrey, Sophia and Genevieve.

2. Job title and how long have you been at HCC? What other positions have you had at Henry Carlson Construction?

I have been with the company for 19 years. I started at Henry Carlson Construction as a laborer, went through the carpenter's apprenticeship program, became a journeyman carpenter, then a foreman and then a superintendent.

3. How do you take your coffee?

I like black coffee.

4. What would a "perfect" day look like for you?

I enjoy deer hunting and plan to pursue other big game in the future.

5. Where is the best place you've traveled to and why?

Our best family trip was to Orlando Disney.

6. If you could do another job for just one day, what would it be?

An ideal temporary job swap would probably be guiding for big game hunts.

7. What are you currently watching on Netflix?

My favorite movies are action thrillers, but at home I typically end up watching whatever the girls want. I am a big softy for my girls.

8. Favorite local restaurant and what do you always order?

I like a good medium rare prime rib, but you can't go wrong with an all you can eat buffet either.

Jeff Husman on KELOLAND

Jeff Husman was featured on KELOLAND's July 13th's newscast. Husman is the crane operator at Washington Square and he gave KELOLAND a view of what it is like to be in the crane above Sioux Falls. The crane has been helping crews build Washington Square building located on Main Avenue, across from the Washington Pavilion. The towering crane is expected to complete its work later this month.

Matt Breck, CFO, holds the first place plaque for the Royal Family Kids Golf Tournament

Royal Family Kids Golf Tournament

Henry Carlson Construction sponsored a team for the Royal Family Kids Golf Tournament on June 1. Chad Nelson, Matt Breck, Tom Carlson and Chris Johnson represented Henry Carlson Construction at the fundraiser and won first place. The money raised helps pay for summer camp for foster children who have been abused or neglected.

Ice Cream Treats

Rob Everist paid for ice cream and snow cones for all of the workers at Washington Square June 30. It was the perfect treat on a hot summer day. Dakota Snow served the ice cream and snow cones to the crew.

Thunder Road Picnic

Henry Carlson Construction and ASCO held their annual picnic on June 27 at Thunder Road Family Fun Park. Families enjoyed great food from Uncle Ed's Specialty Meats and Catering, bumper boats, go-karts and mini golf. Thank you to everyone for coming out.
