SDSU Stanley J. Marshall Center - Sioux Falls, SD

SDSU Stanley J. Marshall Center - Sioux Falls, SD

**SDSU Stanley J. Marshall Center:** The building is enclosed and the roof is being installed. MEP work is ongoing inside above the courts and in the penthouse. The crews are hoping to start painting the west court mid-June. We are still on track to start with the gym wood floors at the end of July.

## Leadercast Sioux Falls

A few Henry Carlson Construction employees attended a Leadercast event in Sioux Falls in May at The District. Leadercast is an organization that guides employees on their journey of becoming a leader worth following. The organization creates a series of learning solutions, events and tools to equip individuals, teams, organizations and corporations across all industries to become and be filled with leaders who are changing the world.

Pat Keleher

## Pat Keleher Retires from ASCO

After nearly 37 years of dedicated service, Pat Keleher retired from her Office Manager position with ASCO on May 15th. Pat plans to travel during retirement, so we celebrated with a suitcase-themed cake. Stefany Foster transferred from her position as a Project Accountant with Henry Carlson Construction to her new position as Office Manager for ASCO.

ON DISPLAY**

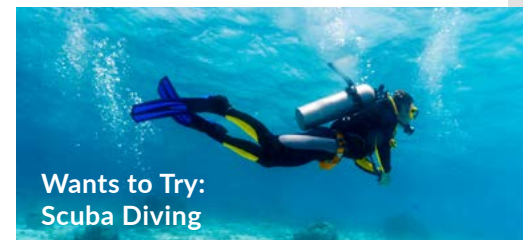

### Employee Spotlight: **Miranda Bunde**

*I asked Henry Carlson Construction's Miranda Bunde a few questions about herself. Here are her answers.*

**Favorite Place to Travel:**  
The Cayman Islands

**Wants to Try:**  
Scuba Diving

**Death Row Meal:**  
Pizza and a DQ Blizzard

**1. Family background, where did you grow up, etc?**

I grew up in Lennox and currently live in Crooks with my husband, Justin, and kids; Aiden (11), Owen (9) and Addy (4)

**2. Job title and how long have you been at HCC?**

Human Resources Manager; 2 years

**3. What do you like to do on your days off?**

My boys are very active in sports, so a lot of our time is spent going to their activities. We also have a cabin on Lake Brandt, so we spend week-ends there in the summer. I love reading and crafting.

**4. Where is the best place you've traveled to and why?**

The Cayman Islands. I loved the weather, beaches and atmosphere.

**5. If you could live in any time period, which one would you choose and why?**

Another era doesn't really spark my interest, I suppose it's because I am a technology addict who really enjoys how life is today.

**6. People would be surprised if they knew:**

I always wanted to be a photographer and graphic designer.

**7. What do you always want to try and never did?**

Scuba Diving

**8. What are you currently watching on Netflix?**

Nothing right now, but catching up on Grey's Anatomy and This Is US on Hulu

**9. What is the first thing you would buy if you won the lottery?**

An all-inclusive beach vacation with my family

**10. If you were on death row, what would your last meal be?**

Pizza and a Chocolate Extreme DQ Blizzard

## Henry Carlson Construction Hires New AP/AR Employee

Henry Carlson Construction hired a new employee to fill the AP/AR position. Sherry Stapleton started on June 4th, replacing Holly Elkin, who has moved to the open Project Accountant position.

Sherry was born in Fresno, CA and was raised in Reno, NV. She moved to Sioux Falls in 2004. She has been married for almost 11 years to her husband, Jerod. They have two sassy daughters, an eight-year-old named Jaradyn and a four-year-old named HadLee. Their family also has two girl fur-babies, a three-year old Lab-Collie named Moxie and a two-year-old Shorkie named Ona.

They love to travel which is perfect for them since their oldest daughter is a competitive cheerleader, which requires a lot of traveling during the fall/winter. In the summer, they can be found outside soaking up the sun. Sherry is the PTO President for Liberty Elementary in Harrisburg, which takes a lot of her free time during the school year.

Before coming to Henry Carlson, Sherry worked at Capital One for 10 years. When they closed, she worked at Intek as a project coordinator and accounting assistant. Sherry said she is really excited to be a part of the HCC team!

Sherry Stapleton

Hole-In-One Wins!  
Tom Carlson, Chad Nelson, Matt Breck and Travis Hatlestad

## Augustana University Sammy Golf Tournament

Henry Carlson Construction participated in the Augustana University's Sammy golf tournament on June 1st. The event, now in its 26th year, is named in honor of Sam Milanovich, who died of cancer in July 1992. He played basketball at Augustana, graduated in 1973.

Proceeds from the tournament support the Sam Milanovich Endowed Scholarships, which are awarded to Augustana student/athletes.

Brooke Cosand, Jack the Jackrabbit and Kyle Cosand

Jerry Fromm, Paul Muth, Trish Nelson, Chad Nelson and Kyle Cosand

## South Dakota State University Jackrabbit Athletic Scholarship Auction

We had a great time at the South Dakota State University Jackrabbit Athletic Scholarship Auction on Saturday, April 28th, at the Frost Arena. All proceeds from the event were matched two to one by an anonymous donor allowing a larger impact for Jackrabbit student-athletes!

## City Center Ribbon Cutting Ceremony

The new "City Center" held a ribbon cutting ceremony in May. Sioux Falls' city services will be housed in this new facility starting June 25th. The name "City Center" was chosen for the building after interviews with City employees, City Councilors, City Council staff, Minnehaha County staff and several Sioux Falls residents to get their viewpoints and opinions.

Koch Hazard Architects is the architect.

Center 231  
Sioux Falls  
Kyle Hubers, Lauren Hubers, Hayes Hubers and former Sioux Falls mayor, Mayor Mike Huether

Helen Telahun

## Southeast Tech Internship Program

Henry Carlson Construction is participating in an internship program through Southeast Tech for high school students that are interested in a career in the construction field.

Through this new collaborative program between Southeast Tech and area construction leaders, students can enroll in a summer hands-on construction exploration program that will give them the chance to earn money while they learn.

Helen Telahun, a junior at Lincoln High School, is working at Henry Carlson Construction this summer. She took a woodworking and cabinetry course through Career & Technical Education Academy in Sioux Falls and became interested in the field. Helen is interested in becoming an architect someday.
