Employee Spotlight:

Jessica Riesselman

Q JOB TITLE, HOW LONG HAVE YOU BEEN HERE AND HOW DID YOU GET YOUR START AT HCC?

A I am the marketing coordinator and have been here for nine years. I moved to South Dakota in 2010 when Andy accepted a travelling marketing position with Rain and Hail, a crop insurance company based out of Iowa. At that time, he had five states in his territory and he said he wanted to live in Sioux Falls, so here we are! I interviewed with HCC several times with Sherry Severtson, Chris Peters and finally with Meredith Larson. I started as a contract employee and was eventually hired as a full-time employee in 2012.

Q Family background, where did you grow up, etc?

A I grew up on a farm outside of Carroll, Iowa. I graduated with a journalism degree with an emphasis in visual communications and a minor in history from Iowa State University. Andy and I lived in Ames, Ankeny and now here. I have five older sisters and one older brother. My dad still lives on the farm. Andy and I have a three-year-old daughter named Claire.

Q FILL IN THE BLANK: I ONCE MET...

A Joel McHale - he was on the TV shows, The Soup and Community

Q IF YOU WON THE LOTTERY, WHAT IS THE FIRST THING YOU WOULD DO?

A Pay off our mortgage so we can be debt free!

Q IF YOU HAVE 30 MINUTES OF FREE-TIME, HOW DO YOU PASS THE TIME?

A I usually fold a load of laundry so it can sit on our table in the basement for three to five business days :)

Q WHAT IS YOUR FAVORITE LOCAL RESTAURANT AND WHAT DO YOU ALWAYS ORDER?

A TC Referee's - a tall Coors Light and either wings or red devil shrimp. This was the first restaurant we took Claire to after she was born!

Q PEOPLE WOULD BE SURPRISED IF THEY KNEW:

A I am an "accident child". My nearest sibling is 14 years older than me.

Q What is on your bucket list?

A Travel to Hawaii and buy a vacation home in Florida.

Q Where is the best place you've traveled to and why?

A Anywhere there is water or a pool - Florida, Oregon, Las Vegas and Curacao

Q Which show or podcast are you currently binge watching/listening to?

A I love true crime podcasts - currently I am listening to Crime Junkie. Also, I am watching The Handmaid's Tale on Hulu.

First PREMIER Bank . Sioux Falls, SD

We completed Geopier installation this week on both the building and parking structure. Lynde Construction is continuing on the southwest side of the building with footings and walls to follow. Their next step will be to continue on the west side of the building. Two weeks ago, we had our first of three shear wall footing pours. This pour was 240 yards! Lynde is currently working on the second shear wall footing and weather permitting we hope to pour this in the next few days. First Rate is here off and on to dig when needed, as we are earth forming the footings.
