**Willow Lake School:** The Phase 2 remodel is nearly complete, with the music room casework installation in progress. Final clean-up will take place next, and the space will be ready for inspection and owner move-in by the end of the month. Phase 3 work will begin shortly after.

# Make-A-Wish Kolby's Kavern

What an incredible effort by the Henry Carlson Construction team! Earlier this year, several of our employees volunteered their time to help renovate the interior of a shed into a man cave for Kolby, a high schooler from Volin, through Make-A-Wish.

His dream was to have a space of his own on his family farm, and thanks to the hard work of our team and the other trades involved, that dream became a reality.

A huge thank you to our employees for their dedication and generosity:

- Chad Nelson
- Dave Derry
- Jason Rosco
- Josh Coyle
- Nate Nelson
- Scott Mohr
- Tom Viet

And a big thank you to all the other trades who pitched in to make this wish come true!

# NAWIC's Women in Construction Week

As a part of Women in Construction (WIC) week, HCC employees Sherry Stapleton, Amanda Painter, Kara Jennings and Miranda Bunde volunteered at the CTE Academy at the Pizza, Pop and Power Tools event. The program focuses on educating middle school girls about careers in construction.

# SUMMER CONSTRUCTION CAREER ACADEMY

Henry Carlson Construction and Asphalt Surfacing Company have partnered with the Associated General Contractors of SD Building Chapter / Southeast Technical College Summer Construction Career Academy for the last several years and we look forward to participating again this summer!

The academy provides **high school students aged 16 and older** with a great opportunity to learn about and gain experience in the construction field while earning college credits through STI. Students are paid for both classroom time and on-the-job training. To learn more about the program, visit:

[www.southeasttech.edu/programs/construction/construction-career-academy.php](http://www.southeasttech.edu/programs/construction/construction-career-academy.php)

**HIGH SCHOOLERS:  
GET PAID TO LEARN!**

High school students 16 and older can earn college credit and earn more than \$5,000 learning on the job with local construction professionals.

## WHAT YOU'LL LEARN

Through a blend of classroom instruction, laboratory experience and on-the-job training, you will learn:

- Safety
- Basic Hand and Power Tools
- Construction Basics
- Soft Skills Essential to Job Success
- Career Awareness
- Blueprint Reading

## FIVE COLLEGE CREDITS

- CMT 101 Construction Basics – 1 credit
- CMT 101L Construction Basics Lab – 2 credits
- DT 102 Print Reading for Construction – 2 credits

\*These credits count toward Southeast Tech's General Construction Certificate or Associate Degree in Construction Management Technology.

## HOW IT WORKS
