NEW EMPLOYEES

Please welcome our newest employees!

Alex Jensen

Alex Jensen recently joined Henry Carlson Construction as the Vice President of Business Development, where he will work closely with Tom Carlson. A graduate of the Beacom School of Business at the University of South Dakota, Alex brings years of experience in business growth, including working in business lending at First PREMIER Bank.

Alex has a background in public service, having served a term in the South Dakota House of Representatives before being elected to the Sioux Falls City Council. He also has entrepreneurial experience as a former partner of Max Muscle Nutrition and sister company, DakPak, adding a unique perspective to his new role. Welcome, Alex!

Employee Assistance Program | Employee & Family Solutions

May is Suicide Awareness Month

May is Suicide Awareness Month, a time to shine a light on mental health and support those who may be struggling—especially in the construction industry, where suicide rates are among the highest of any profession. It's important to remember that no one has to face these challenges alone. All employees and their immediate family members have access to our Employee Assistance Program (EAP), which offers free, confidential support and counseling services.

If you're feeling overwhelmed or know someone who might be, please reach out—help is always available.

Connections is our Employee Assistance Program (EAP)

In honor of Dave Lems, we had a plaque made for the grill trailer that he created last year. We use the trailer at our summer jobsite luncheons. Dave was a wonderful man and a truly talented craftsman.

NATIONAL SAFETY STAND-DOWN

May 5-9, 2025

Falls remain the leading cause of death in the construction industry, but together, we can change that. During this year's National Safety Stand-Down, at each of our jobsites, we took a moment to focus on why falls are so dangerous and what we can do to prevent them.

Learn the Facts: Understanding the risks is the first step. A great resource: <https://stopconstructionfalls.com/why-prioritize-falls/>

Safety is everyone's responsibility – let's make sure everyone goes home safe!
