SIOUX FALLS REGIONAL PARKING GARAGE RIBBON CUTTING SEPT. 30

Join us on September 30th at 4:30 PM for the ribbon-cutting ceremony of the new Sioux Falls Regional Airport parking garage!

OPEN HOUSE *Celebration*

SDSU FB&T ARENA OPEN HOUSE SEPT. 27

South Dakota State Athletics will host an open house Sept. 27 to celebrate the First Bank & Trust Arena renovation project. The event begins at 5:00 PM and will consist of self-guided tours of the entire facility, with student-athletes on hand to visit with guests. The Friday evening celebration concludes with a short program in the arena at 6:30 PM.

VETERANS COMMUNITY PROJECT

Henry Carlson Construction was honored to supply our crane and labor to help set five mini homes for homeless veterans on September 11. Each home weighed 8,000 pounds, with our longest reach at 107'.

The homes are part of VCP Village, a 2-acre community in northwest Sioux Falls that provides wraparound support to help Veterans regain stability and independence.

Huge thanks to Chip Carlson, Greg Mohr, Jesse Olsen (crane operator), Jim Richarz, and Dane Parisien for making this happen. We're proud to support this meaningful cause!

AGC SUMMER ACADEMY 2024

Henry Carlson Construction and ASCO were honored to be Platinum sponsors of the AGC SD Construction Camps. This summer we had the pleasure of hosting three dedicated students on our job sites: Corbin Laue and Kaden Bunt with ASCO, and Rylen Kinghorn with Henry Carlson Construction.

The AGC of SD visited the Summer Academy class for an informal closing celebration, providing lunch and presenting completion certificates to the participants. It was a fantastic way to acknowledge their hard work and accomplishments.

AGC of SD Summer Academy Class of 2024

Class Project

Corbin Laue - ASCO

Rylen Kinghorn - HCC - Sanford Ortho

The ASCO/Dakota Seal Maintenance Crew completed the Lawrence County Crack Seal project.

ASCO at the Touch a Truck Event

Amy Costa represented ASCO at the recent Touch a Truck Event held at Noteboom, where she drove one of ASCO's trucks for the kids to explore. The event was a hit, with kids getting the chance to check out the trucks up close and, of course, honk the airhorns. Amy joked afterward that she might be hearing those airhorns in her sleep for the next week!

Jobsites GRILLING

We fired up the grill for our amazing team and subcontractors at of our jobsites in August and September. This was our way of showing appreciation for our employees and subcontractors and all of the hard work they do! And a special thank you to Dave Lems for fabricating our amazing grilling trailer!

Jordan Ahrendt . ASCO

NEW EMPLOYEES

Please welcome our newest employees!

Jordan Ahrendt, Estimator/Project Manager

Welcome ASCO's newest Estimator/Project Manager, Jordan Ahrendt!

I've called Sioux Falls home for nearly my entire life. After starting my academic journey and playing collegiate baseball at the University of Sioux Falls, I pursued a degree in construction management at Southeast Technical Institute. Today, I live in southeast Sioux Falls with my wife, Codie, and our three daughters: Amzie (10), Taitum (4), and Lawsyn (1).

My career began as a project manager at Alcon Construction in Alamosa, CO, where I worked on commercial and agricultural projects. After returning to Sioux Falls, I spent six years with SealPros, focusing on maintenance and paving, followed by two years with McGough Construction working on commercial projects. Most recently, I was a project manager and estimator at Lloyd Construction, specializing in special projects. I'm excited to return to the asphalt industry with ASCO.

In my free time, I enjoy spending time with my family, golfing and hunting pheasant and turkey.

I like working in construction because no two days are the same, and I've been fortunate to form lasting relationships with clients, contractors, engineers, architects and coworkers.

Kole Nelson, Safety Manager

Welcome HCC's newest Safety Manager, Kole Nelson!

I grew up on a family farm west of Elkton, SD with six brothers and sisters. After high school I enlisted into the U.S. Army and later became a U.S. Special Forces Green Beret serving in multiple roles in Europe, Africa and the Middle East. My wife, Jennifer, and I knew that someday we would eventually come back to SD, and after 20 years of service, we finally got the chance to return to South Dakota. We currently live in Dell Rapids with our five children and when not driving one of the kids to one of their many activities, we enjoy camping, fishing and working on the farm.

I was drawn to the construction industry because of its similarities to the military. The success of the unit isn't the equipment or the

resources it has, but rather the success lies with the people within the organization, and the achievements of the unit are dependent on their ability to work cohesively as a team.

SUMMER PARTY

Henry Carlson Construction, ASCO and Dakota Seal employees and their families had an amazing time at the Great Bear summer picnic in July! Despite the hot and sticky weather, we enjoyed a fantastic day filled with inflatables from Bounce Around Inflatables, face painting by Color Bee Face Painting, yard games and great food. A special thank you to Dakota Snow/Polar Bites for their delicious rolled ice cream – it was a hit! Thank you to everyone who joined us and made this event so memorable.

Congratulations
Loren Nelson

Some of the projects Loren has worked on over the years:

3M Aberdeen
Avera St. Luke's Hospital
Bethlehem Lutheran Church
BN Depot
Cheyenne River Detention Center
Coteau des Prairies Hospital
Farm Credit Services - Multiple Locations
Faulkton School

Glacial Lakes Energy
Huron Public Works
Huron Regional Medical Center
Ipswich School Addition
Kyburz-Carlson Construction's Office & Shop
